SEPTEMBER 23-30, 2023

I try to keep service prices as low as possible and sometimes advanced education opportunities come up that I would love to attend! This year, Nail Camp is on a CRUISE!! The week of Nail Camp will give us 3 days of classes, hands on workshops and nail competitions. This time, I get a little time to enjoy the sunshine with my nail friends! Any help would be great to make this dream become a reality!

**GOAL!**

**Why should I go?**

- I can learn new techniques!
- Get my nails critiqued by experts
- Improve my skill for YOUR nails!
- Speed up my time
- Troubleshoot problems
- Discover new products
- Get Inspired with new designs
- Eliminate Nail Tech Burnout
- Meet other nail techs, educators and make new friends!
